Preface

This book is intended for the students of C.B.C.S (Choice Based Credit System) 4th semester (Honours) and 5th semester Regular (DSE-IA) course under Gauhati University. The present work is an attempt to cover the entire syllabus as per C.B.C.S guidelines, to fulfill the needs of the students in a single book. For the convenience of the students, an attempt has been made to provide the summary and probable questions at the end of each chapter.

This book on Contemporary Indian Philosophy aims to fulfill the requirements of students and teachers alike by providing a concise text on the Philosophical ideas of Sri Aurobindo, S. Radhakrishnan, M.K Gandhi and Swami Vivekananda. For elaborate study, the students may refer to the references mentioned in the book. The effort put into this book would bear fruit if it successfully fulfills the requirement of everyone reading it and any feedback or suggestions with regard to this book is welcomed and appreciated.

Finally, I would like to thank the publisher 'Surya Prakash' and everyone associated, for providing me the opportunity to write this book.
